

## TRAFFIC SWINGING SINGLE LEAF DOORS

ALL PRICES IN EURO, DO NOT INCLUDE VAT. 2 MM THICK METAL DOOR FRAME INCLUDED

(TSD)

30.10.2023

- PH Insulation's traffic swinging doors are designed to separate production and other premises in places with intensive traffic of personnel.
- The factory-made doors are ready for installation on technological, industrial premises, supermarkets, hospitals, food production facilities, cafes, restaurants, etc.
- Traffic doors are not meant to completely seal the opening due to technical clearance gaps along the perimeter between the frame and the door leaf.
- If you need the doors to remain open in 90-degree position, you can order traffic doors with fixing hinges. Doors can be equipped with oval windows of 200x500 or 300x580 mm.
- Traffic doors are available in custom sizes and are equipped with the European-made hardware: Italian, Spanish, – according to customer's request.
